

Pac Members

February 27, 2018

Dear Wildcatters PAC of the Oklahoma Independent Petroleum Association,

The passion I feel for serving this state has continued to grow over my almost ten years of service at the Oklahoma Corporation Commission. Now, as you are aware, *I am running for Lt. Governor to offer our state a desperately needed change from the status quo.*

My statewide campaign continues to build momentum and I hope I can continue to count on you to propel that momentum forward. The past support and encouragement you have provided, in good times and hard times, has enabled and empowered me to grow into a *dedicated and proven servant leader.*

Starting on February 27, 2018 you can now financially support my campaign, as the period you can donate to me under Oklahoma ethics law begins on this date.

It is time we work together to make the greater good of Oklahoma a top priority and address the roots of long-standing problems. *It is time* to stop merely treating symptoms that solve nothing and leave us stagnant.

As Einstein so aptly said, "we cannot solve our problems with the same kind of thinking that got us into the problem." From day one, *I'm ready to use my years of experience and skills as a proven problem solver* to move the Lt. Governor's position beyond its traditional role. *I'm ready to be part of the different thinking, planning and resolving* that our state so desperately needs now through collaboration with whomever you elect as Governor, as well as legislators and other leaders in our state.

Thank you for providing me with this incredible opportunity to serve as your Corporation Commissioner. I promise to bring the same commitment, energy and work ethic as your next Lt. Governor. *Your most generous support* will be needed now more than ever for me to be successful in this campaign. Please include your donation in the enclosed contributor envelope or donate online at www.DanaMurphy.com.

I look forward to your support so I can finish this fundraising quarter ending on March 31st strong.

Gratefully,

Dana

Dana L. Murphy

I hope to bring my energy experience to this new role. Thanks for your consideration!

P.S. Maximum contribution per individual is \$2,700. Please call us if you have any questions regarding contributions.
